Aware that currently there are many Veterinary personnel working in the County of Uasin Gishu in the livestock sector; **Further aware that** some of these personnel could be working illegally and even without academic professional qualifications; **Concerned that** if not checked this situation might result in poor Veterinary services leading to many animal diseases and even livestock loses; **Noting that** in order for the industry to provide quality services only qualified and accredited Veterinary personnel should be allowed to practice; This County Assembly urges the County Government of Uasin Gishu through the department of Livestock Development and Fisheries to vet all the Veterinary personnel operating in the County.
