Aware that it is always mandatory to wear uniforms in all vocational training institutions and other learning institutions; **Further aware that** uniforms are used for ease of identification and other administrative purposes by learning institutions; **Concerned that** in spite of this the use of such uniforms has often discouraged potential students especially the adults from joining vocational training institutions ; **Noting that** because of this the use of uniforms in tertiary institutions should not be mandatory: This County Assembly urges the County Government of Uasin Gishu through the department of Education, Culture and Social Services to scrap the use of uniforms in all vocational training institutions as one way of encouraging adult enrolment.
