9. MOTION – (HON. MARYGORETTI BOROSWA – NOMINATED MCA)

Aware that the County Government of Uasin Gishu has employed two qualified ECDE teachers in every public school in the County; **Further Aware that** the gesture has gone a long way in reducing the cost of ECDE Education to the parents and also create employment for some of the ECDE qualified teachers who were yet to be employed; **Concerned that** despite the employment of this teachers ECDE Centers do not meet the threshold of having 3(three) teachers per centre as per the requirement of the Education Act; **Noting that** ECDE is the fundamental stage in the instruction and education stage of a child and thus it is a critical stage upon which future educational development of a child is build upon: This County Assembly urges the County Government of Uasin Gishu through the Department of Education and Finance and Economic Planning to increase employment of teachers in ECDE centers from two to three and extend the exercise by employing ECDE teachers in the remaining County Public Schools.
