Aware that this County Assembly did pass the Uasin Gishu County Alcoholic Drinks Control Act, 2014 whose mandate among others is to license and regulate the production, sale, distribution and consumption of alcoholic drinks and drugs; **Further Aware that** since the enactment of the Act many alcoholic and drug users have been arraigned in court and penalized through sentencing and payment of fines; **Concerned that** despite the fact that many of these alcoholic and drug users have been penalized their lives have not changed since they have not undergone any rehabilitative programme that will positively change their perception and behavior; **Noting that** a lot of funds have been collected through fines in court and the same should be utilized to rehabilitate and promote the alcoholic and drug users so as to change their lives for the better; This County Assembly urges the County Government of Uasin Gishu through the Department Health Services to prepare a policy framework on how the funds collected by the Uasin Gishu County Alcoholic Drinks Board through levy of fines will be used to rehabilitate and also assist alcoholic and drug users in setting up ventures.
