**AWARE** that under the Constitution of Kenya, 2010; Fourth Schedule (Article 185 (2), 186 (1) and 187 (2) part 2, Health Services is one of the devolved functions, Further Aware that currently the County Government has established Sub County Hospitals in Ziwa, Turbo and Burnt Forest which occasionally need the services of a hearse to transport the dead to the modern mortuary at the Moi Teaching and Referral Hospital in Eldoret Town, Noting that this service is important as it will ease much inconvenience occasioned at the Sub District hospitals and even Health Centres and Dispensaries, Cognizant that currently, the County Government owns 10 new and 6 old ambulances which are operational, This County Assembly urges that the County Government of Uasin Gishu through the Department of Health Services set aside funds in the coming Supplementary Budget to purchase a t least two hearses to be used for the time being as it plans to purchase more in the near future.
