9. **MOTION [HON. DANIEL SANGA - MCA MOI'S BRIDGE WARD]**

**Aware that** our County is currently experiencing a dry spell that poses danger of fire outbreaks and other related risks; **Further Aware that** during dry spells which normally starts in December and extends to late March every year cases of fire outbreaks have been reported each year in several parts of the County; **Concerned that** despite available data on fire outbreaks in our County, concerned County authorities have always been caught unprepared apparently because they have not put enough measures in place that can effectively and efficiently respond in time to such fire outbreaks; **Noting that** these fire outbreaks have always resulted in loss of valuable properties and even lives: This County Assembly urges the County Government of Uasin Gishu through the Department of Roads, Transport and Public Works to liaise with Fire Fighting and Disaster Management Department to increase its alertness during the current dry season and also initiate public awareness campaign on potential possible fire outbreaks and the need for preventive measures to be taken.
