**MOTION (HON. RAMADHAN ALI –MCA, KIPLOMBE WARD)**

**Aware** that all Local Authorities in Kenya ceased to exist upon the promulgation of the Constitution of Kenya (COK) 2010, **Further Aware** that nearly all of them owned Assets and Liabilities which were subsequently inherited by the Devolved Governments, **Concerned that** up to now most of the assets and specifically debts owing which were inherited from the defunct Local Authorities up to now remain unsettled, **Noting that** continued failure to collect the said debts has denied the County Government the much needed additional funds for efficient service delivery to its citizens; **Cognizant** that the Transition Authority has almost completed its task of transferring most of the assets and liabilities to the respective Governments in Kenya; This County Assembly urges the County Government of Uasin Gishu through the Department of Finance and Economic Planning to provide the County Assembly with an inventory of all the debtors and the total amount they owe the County Government and a Policy Proposal on how such outstanding debts are going to be recovered.
