9. **MOTION - (HON. JENNY TOO -NOMINATED MCA)**

Aware that based on the County Integrated Development Plan (CIDP2013-2018) the County Government of Uasin Gishu committed itself to grow knowledge based economy in line with Kenya Vision 2030; **Further Aware that** in order to achieve its vision and goals it will require to leverage the potential of Information and Communication Technology (ICT) in its operations and programme implementation ; **Concerned that** currently most of the County's processes including records and other office operations are largely manual and are in dire need of recreation if service delivery is to be improved; **Noting that** digitalization is a world of phenomenon that County Government should embrace in all its operations and services in order to reap its benefits; **Cognizant that** ICT will improve efficiency and effectiveness and thereby give our County a competitive advantage as a preferred destination of doing business: This County Assembly urges the County Government of Uasin Gishu through the Department of ICT and E- Government, Trade and Industrialization to digitalize all its office operations and services in all its County Offices.
