**Aware that** according to the Uasin Gishu County Integrated Plan (2013-2018) the County Government committed itself to develop and promote tourism attraction sites in a sustainable manner; **Further Aware that** in the same plan the county government pledged to make site visits and evaluation of River Sosiani and Koromosho Picnic Site for beautification; **Concerned that** currently Koromosho water falls lacks basic amenities that would enable it be a holistic tourist attraction site; **Noting that** the site is a fantastic place for the development of a picnic site; This County Assembly urges the County Government of Uasin Gishu through the Department of Trade, Industrialization, Tourism, Wildlife and Enterprise Development to identify a developer for the beautification of Koromosho Picnic Site.
