**9. MOTION(HON. TIRUS TING- MCA MOIBEN WARD)**

**Aware that** human resource is the most important asset to any organization as it provides relevant knowledge, skills ,expertise and experience, **Further aware** that the County Integrated Development Plan(2013-2018) clearly states that the County Executive Committee Member for Public Service Management will amongst other things develop and implement demand driven training programmes, facilitate training and capacity building, liaise with institutions of higher learning for collaborative and other tailor made courses, **Noting that** up to now, no Human Resource Development Plan has been prepared that will guide staff training and development within the County Establishment, **Concerned that** any organization that fails to recognize the need to train and develop its staff will not achieve its long term objectives; This County Assembly urges the County Executive Committee Member concerned to urgently come up with a Human Resource Training and Development Policy for the County.
