**9 MOTION (HON. RAMADHAN ALI – MCA KIPLOMBE WARD)**

**Aware** that the County Government failed to meet its Local Revenue targets in all the previous financial years; **Further aware** that there is great likelihood that the target for the current financial year will not be met, **Noting that** the said shortcomings have had adverse effect on the implementation of previous County budgets and is likely to also affect the current budget, **Further concerned** that failure to fully implement County Budgets due to the deficit in local revenue collection would naturally lead to non-completion of the earmarked development and recurrent expenditures, **Warned that** the failure to meet the targets may have been occasioned by incapacity to collect, misappropriation or unaccountability by the concerned department, **Noting that** such deficits have contributed to slow economic growth and prosperity in the County, **Cognizant that** there urgent need for a reversal of the said undesirable trend; This County Assembly urges the County Government to carry out a system audit with the view to finding reasons that have prevented effective and efficient collection of local revenue and put in place policies to address the same and render a report to this County Assembly within 14 days of the making of this resolution.
