9. MOTION (HON. HILLARY KETER – MCA ZIWA WARD)

Aware that the social security of the people of this County and more specifically teenagers in our society is of paramount importance and a matter that must not only be guaranteed but guarded jealously; **Further aware** that the teenagers constitutes a solid foundation for future generations and society; **Deeply concerned** that teenagers in our Country particularly our County have in the recent past been lured into unbecoming, unhealthy, illicit, illegal, unlawful and morally unacceptable conduct; **Further concerned** that some unscrupulous business entity namely **Sams club** recently illegally and or unlawfully allowed teenagers more particularly those under the age of 18 years to not only access their bar/club premises but also to engage themselves in illicit activities including alcohol taking, smoking, khart/miraa chewing, child prostitution and sex orgy; **Noting that** such unscrupulous business practices are likely to corrupt and mislead the minds of our teenagers and thus weaken or even destroy the very foundation of our society; **Further noting** that such vulnerable members of society are entitled to protection by the Government of the day; **Cognizant that** unless such unwarranted and unacceptable business practices are abated, the future of our society remains bleak; **Worried** of the

Socio-economic consequences likely to result from such destruction of young and promising minds; This County Assembly urges the County Government to urgently come up with a programme to sensitize the general citizenry and parents in particular on the need for them to be vigilant of the whereabouts of their teenage children at all times, a policy framework to curb such unscrupulous and unacceptable business practices and bring to book the perpetrators of such unlawful practices and more particularly the current culprit who must be made to face the full wrath of the law and any other or further available legal or administrative punitive action.
