**Aware that** currently there are privately owned vehicles operating secretly as Public Service Vehicles (PSV) along Eldoret- Nairobi and other unidentified routes ; **Further Aware that** these vehicles operate secretly apparently without the acknowledge of the County Government and other regulatory agencies like the National Transport and Safety Authority (NTSA); **Concerned that** the operations of these said vehicles pose a security risk to its passengers and the general public through accidents, kidnapping and even murders as has been reported in some quarters; **Noting that** the County Government is losing much needed revenue through the operations of these unlicensed vehicles; This County Assembly urges the County Government of Uasin Gishu through the Department of Roads, Public Works and Transport in conjunction with the National Transport and Safety Authority to carry out an intensive research over the operations of such vehicles and thereafter arrest and prosecute all the culprits.
