- 9 **MOTION (HON. SALOME BUSIENEI – MCA, NOMINATED)**

Aware that cases of girl child abuse that have resulted in untimely and unwanted teenage pregnancies in our Country as frequently reported by the print and electronic media, **Further aware** that most of these immoral and unethical acts are perpetuated in both primary and secondary schools, tertiary institutions and to some extent in post secondary institutions by the teenage girl handlers who are supposed to be their mentors, **Concerned that** the current legislation and policies seems not to be addressing the issue effectively as evidenced by the increased incidences of girl child pregnancies and other related child abuses, **Noting that** the County Integrated Development Plan (2013-18) provides that the County Government will promote the prevention of child abuse in schools and other institutions especially for the girl child, **Cognizant that** these girl child abuses and specifically untimely pregnancies have in most cases ruined the future of the girl child permanently; This County Assembly urges the County Government of Uasin Gishu to put in place relevant policy and legislative proposals to efficiently and effectively address this menace and urgently forward the same to this County Assembly for deliberation and approval.
