Aware that every eligible citizen of this County is entitled to be issued National Identity Card and registered as a voter; **Further Aware** that a good number of such eligible citizens have not been issued with National Identity Cards and registered as voters by the Independent Electoral and Boundaries Commission(IEBC); **Concerned that** the said situation has largely been occasioned by lack of sufficient and timely information to the citizenry; **Noting that** most eligible citizens are likely to be left out of the voting and election process if they are not registered; **Cognizant that** the highly guarded constitutional right of choice must be guaranteed to every citizen of this County; **Disturbed by** the low turnout at various IEBC registration centers during the ongoing mass voter registration; This County Assembly urges the County Government through all the relevant departments and organs of government to urgently come up with civic education and citizen sensitization programmes and effect the same the soonest so as to woe eligible citizens to apply for National Identification documents and register as voters.
