2. Communication from the Chair
3. Messages
4. Petitions
5. Papers
6. Notices of Motion
7. Statements
8. **Motion and Bills**

9. **MOTION (HON. RAMADHAN ALI – MCA KIPLOMBE WARD)**

Aware that the County Government of Uasin Gishu did set aside funds in FY 2015/2016 to be utilized in drilling at least one or more public borehole in every ward; **Further Aware that** the Uasin Gishu County Integrated Development Plan(CIDP) 2013-2018 envisages the development of new water supply schemes and revamping of existing community water projects; **Concerned that** based on the statistics released by the Water Resource Management Authority (WARMA) the population in the County with reasonable access to water is just 42% although about 90% of the population has access to water within 2 km radius; **Noting that** in order to ensure efficient supply of water from the said boreholes, proper guidelines and policies should be developed by the County Government to ensure smooth and proper management of the same; This County Assembly urges the County Government through the Department of Environment, Water and Natural Resources to prepare a policy framework that will guide the management of all public boreholes within the County and submit the same to the County Assembly for approval.
