**8. MOTION (HON. MOSES BARTENG – MCA SERGOIT WARD)**

**Aware that** the business community in our County lack accurate and relevant market information that can enable them make the right investment decisions; **Further aware that** this scenario has resulted in loss of opportunities and resources; **Concerned that** there exists in the County an information gap caused by lack of harmonized and centralized information source which could provide accurate information to the business community; **Further Concerned that** lack of accurate market information has denied the sector the ability for planning, development, resource utilization, and investment choices and opportunities; **Cognizant that** there is need to undertake more studies to consolidate data to inform policy and decision making by business enterprises; **Noting that** availability of relevant information on timely basis will boost growth of both local and Foreign Direct Investment (FDI) in our County; This County Assembly urges the County Government through the Department of Trade, Industrialization ,Tourism and Enterprise Development in conjunction with ICT and E-Government to establish a one-stop business information Center that will be used by existing and potential entrepreneurs as a Resource Center.
