9* MOTION (HON. DANIEL SANGA – CHAIR, EARLY CHILDHOOD EDUCATION COMMITTEE)

Aware that our culture is under threat of gradual erosion from foreign influence especially the Western civilization, **Further** Aware that under the United Nations Educational, Social and Cultural Organization (UNESCO) protocol, Culture has been highlighted as key to the identity of a people, **Concerned** that many communities have discarded their core values and instead embraced alien cultures that have led to moral decadence that have resulted in immoral values like gayism, lesbianism, drug abuse and thus occasioning social anarchy, **Cognizant** that this cultural erosion can be halted through the establishment of cultural and heritage sites that will be used to show case our rich traditions, **Further cognizant** that such sites can develop and become economic centers that can spur a local enterprise, **Noting** that, if this alienation is not checked and corrective measures taken, the result will be a *lesseware* society without identification; This County Assembly urges the County Government of Uasin Gishu to set aside funds for the establishment of cultural and heritage sites preferably in all sub county headquarters.
