- 8 MOTION: HON. DR. CATHERINE KIPTANUI – (M.C.A – NOMINATED)**

**Aware that** crossing the road is one of the most difficult tasks to pedestrians due to the increase of fast moving vehicles and motorcycles on the roads; **Further aware that** vulnerable road users like the elderly disabled school children the sick and people carrying luggages are the most affected; **Concerned that** many accidents that happen in towns may be due to over speeding vehicles and motorcycles; **Noting that** crossing guards on our roads help vulnerable road users to safely cross the streets at key locations hence help avert accidents and early deaths; **Cognizant that** crossing guards play an important role in communities because vulnerable road users are at an inherent disadvantage when dealing with traffic. This county assembly urges the county government of Uasin Gishu through the Department of Roads and Public works in collaboration with National Transport and Safety Authority (NTSA) and National Road Safety Trust (NRST) to hire the services of crossing guards in designated areas to assist people cross the roads safely.
