7. Statements
- 8 MOTION: HON. DR. CATHERINE KIPTANUI – (M.C.A – NOMINATED)**

**Aware that** traffic control and road signs are crucial for every driver and pedestrians; **Further aware that** road signage are important to ensure smooth traffic flow without bottle necks or mishaps; **Concerned that** speeding is a major contributor to road accidents, fatalities and injuries; **Noting that** road signs are designed to guide the safe and orderly movement of traffic by giving directions, instructions and warnings; **Cognizant that** lack of proper signage is just one way a defective road can directly cause accidents. This county assembly urges the county government of Uasin Gishu through the Department of Roads and Public works in collaboration with National Transport and Safety Authority (NTSA) and National Road Safety Trust (NRST) to re-install missing road signs in order to maintain good traffic flow and safety on our roads.
