9. **MOTION: HON. GILBERT TENAI (M.C.A. -CHEPTIRET/KIPCHAMO WARD)**

Aware that based on the County Integrated Development Plan (CIDP 2013-2018) the County Government of Uasin Gishu is mandated to align its activities with Vision 2030 blue print and identify key sectors that it can participate and contribute towards the realization of the vision; **Further Aware that** in view of the above our County boasts of many institutions of higher learning with robust Research and Development(R&D) programmes that are expected to emerge with novel products that could be up taken by industry or potential investors; **Cognizant that** a recent development in the institutions of higher learning is the establishment of incubators through which budding investors are given opportunity to develop their products to full maturity; **Concerned that** Research and Development (R&D) is a new frontier that the County has not considered for exploitation in order to create new and more employment opportunities for the youth in our County; **Noting that** from Research and Development business concepts like Business Process Outsourcing (BPO) and others that are in use in developed nations can be developed and utilized in order to boost employment opportunities amongst the unemployed populace: This County Assembly urges the County Government to prepare a policy framework and submit it to the County Assembly for approval that will nurture and promote vital linkages and collaboration between institutions of Higher Learning and industries and other potential investors so as to boost employment opportunities within the County.
