**9. MOTION (HON. JOSPHAT LOWOI – MCA KARUNA/MEIBEKI WARD)**

**Aware that** the County Health Service of cemeteries, funeral parlors and cremations is a devolved function ; **Further Aware that** most of the existing cemetery facilities are overstretched thus calling for the establishment of new ones ; **Noting that** there has been several applications and moves by both private developers and government agencies to establish new cemetery facilities; **Concerned that** most of such applications have not seen the light of day due to lack of policy and or legislative framework for the approval of such facilities; **Cognizant that** unless new of such facilities are established there is likely to be a health crisis in the near future; This County Assembly urges the County Government of Uasin Gishu through the relevant Department to prepare and submit to this County Assembly for approval a policy framework and legislative proposal for the approval of establishment of cemeteries, funeral parlors and cremation in this County.
