**9 MOTION (HON. PETER SUGUT – MCA MEGUN WARD)**

**Aware that** the County Government through the Department of Trade, Industrialization, Tourism Wildlife and Enterprise Development has issued betting licenses to recognized and approved business enterprises in this County ; **Further aware that** most of the business enterprises carrying out such business adhere to the relevant laws, regulations and other policies guiding the operations of such businesses; **Concerned that** in spite of the above scenario ,illegal business enterprises operating betting business have emerged and not only operate against the laid down procedure but also engage in fleecing and robbing money from the general public more particularly other innocent people; **Noting that** this situation has occasioned much financial and economic loss to many people, both in urban and rural areas with some having sold their properties so as to try this luck in the game; **Cognizant that** if urgent and stringent steps are not taken to strictly discourage such unlawful betting activities, many people will end up in acute poverty which event is likely to adversely affect social and economic development in the society; This County Assembly urges the County Government of Uasin Gishu to enforce the law that govern betting control through random inspection so as to bring to an end such illegal and unlawful betting activities.
