Aware that County Government has immensely improved the road infrastructure throughout the County; **Further Aware that** such road infrastructure needs systematic and regular maintenance; **Noting that** the department of Roads, Public Works and Transport has a budget for such routine maintenance of roads; **Concerned that** most roads across the county have been damaged by the vagaries of weather mainly due to poor drainage; **Further Concerned that** the very costly investment made on such roads risks being lost completely; **Cognizant** of the Socio-economic consequences of such an occurrence ;This County Assembly urges the County Government, through the department of Roads, Public Works and Transport to put in place an elaborate programme for efficient and equitable routine maintenance of all County roads and more preferably through casual manual labour in every Ward.
