9. MOTION (HON. RAMADHAN ALI – MCA KIPLOMBE WARD)

Aware that in the recent past there has been rampant establishment of bus stages in undesignated zones within Eldoret town and its suburbs ;**Further Aware that** the establishment of such bus stages is done haphazardly and has resulted in significant increase in the traffic jams that are witnessed almost daily in the Central Business District (CBD) of the town; **Concerned that** if the trend continues it might lead to a total collapse of traffic management and control within the CBD; **Cognizant that** Eldoret town is a major economic centre in the North Rift region that needs proper planning of its infrastructure in order to maintain its status so that it can continue to attract existing and potential investors ; This County Assembly urges the County Government through the Department of Roads, Public Works and Transport to intervene and address the issue so as to streamline the establishment of bus stages on undesignated areas.
