**Aware that** Eldoret town is rapidly expanding due to its strategic position with the potential of becoming a city in the near future, **Further aware** that the town is currently attracting a lot of direct and indirect local, national and International investors who are keen to invest and establish business enterprises, **Concerned that the** rate of rural-urban migration within the County is escalating at a fast rate thus causing an increase of slums that is threatening orderly development within the town, **Noting that** the County Integrated Development Plan(CIDP) provides a physical planning policy framework which is supposed to facilitate orderly and progressive development in the county; This County Assembly urges the County Government of Uasin Gishu to urgently implement its spatial plan as indicated in the County Integrated Development Plan(CIDP) to curb the situation.
