Aware that highways are mainly a preserve of motor traffic; **Further Aware that** some residents have lately been using donkey and other Carts as a means of transport without authority along some of the highways in the County particularly Eldoret-Nakuru, Eldoret-Iten road and Eldoret Airport roads; **Noting that** unauthorized use of donkey and other Carts have become a constant obstruction to motor traffic in the said roads; **Concerned** that such obstruction often results in unwarranted traffic jams in our roads; **Further Concerned** that the use of donkey and other Carts has also been a constant cause of otherwise avoidable accidents; **Cognizant** of the resulting economic and social losses that have been occasioned by such occurrences; This County Assembly urges the County Government to urgently formulate a policy framework to regulate the use of donkey and other Carts within the County and submit the same to this County Assembly for Approval.
