3. Messages
4. Petitions
5. Papers
6. Notices of Motion
7. Statements
8. **Motion and Bills**

**9. MOTION (HON. JOSPHAT LOWOI – MCA KARUNA/MEIBEKI WARD)**

**Aware that** County Planning and development including electricity, gas reticulation and energy regulation is a devolved function; **Further Aware that** most of the County residents are not connected to electricity due to lack of elaborate connectivity planning; **Concerned that** energy sector is currently unregulated and energy related products are handled anyhow; **Noting that** this situation has highly contributed to various forms of insecurity and unsafely within the County; **Cognizant** of the negative impact of this situation to the social and economic progress of the county residents; This County Assembly urges the County Government through the Department of Water, Sanitation Energy Environment And Natural Resources to prepare and submit to this County Assembly for approval a policy and legislative proposal with the view to having County Planning including electricity, gas reticulation and energy regulation put in place.
