9. MOTION (HON. MOSES BARTENG – MCA SERGOIT WARD)

Aware that the County Government of Uasin Gishu has been facing challenges in revenue collection and more particularly the remittance of cess by the maize and timber related business or industries as well as other related sectors in the county; **Further aware** that this situation has denied the County Government the much needed revenue that could be utilized in service delivery; **Concerned that** non remittance of cess continues in blatant disregard of the payers mandate which obliges them to remit cess to the County Treasury as required by law; **Noting that** if this trend is not addressed and solved the economic development of the County is likely to lag behind due to unrealized funds; This County Assembly urges the County Government through the Department of Finance and Economic Planning to prepare an inventory of all cess remittance by all payers and thereafter present the same within twenty one days after the passage of this Motion to the County Assembly for perusal and appropriate action.
